

MUNICIPAL HEADACHES? OUR SOLUTIONS ARE THE REMEDY

GET IT ALL AT GAJESKE

Gajeske exceeds expectations with almost 40 years of trusted service in municipal applications.

Our time-tested solutions ensure durable, cost-effective, and sustainable HDPE piping systems.

We offer HDPE pipes in DIPS and IPS sizing for easier installation, maintenance, and repair. This standardized sizing makes our pipes compatible with traditional metal piping systems, simplifying installation and ensuring reliability in municipal applications.

We're the perfect fit for every municipal polyethylene application.

If you think Gajeske only supplies polyethylene piping systems, think again. **We supply solutions.**

We offer a complete range of services to assist you with any project that comes your way.
