

Gajeske®
Polyethylene Specialist

ZERO LEAKS. MAX UPTIME.

GET IT ALL AT GAJESKE

AI/data centers are being constructed at an astronomical pace. And they need infrastructure materials fast to get up and running in record time.

Gajeske is the go-to for poly pipe solutions that deliver way more than cooling. Durable, leak-free poly pipe can be used in **every** data center system:

- Chilled water distribution
- Potable & process water
- Wastewater & sanitation
- Stormwater management
- Underground fire protection
- Electrical & data conduit

McELROY | McELROY ASC Authorized Service Center | McELROY MASTER MECHANIC | McELROY CERTIFIED RENTAL

We're the perfect fit for your AI/data center needs.

If you think Gajeske only supplies polyethylene piping systems, think again. **We supply solutions.**

We offer a complete range of services to assist you with any project that comes your way.

- POLY PIPE, VALVES & FITTINGS
- FUSION EQUIPMENT SALES, RENTALS & REPAIR
- FUSION & FABRICATION
- FIELD TECHNICIANS
- OQ & FUSION TRAINING

Gajeske®

Polyethylene Specialist

FAST SOLUTIONS FOR FAST BUILDS

Poly pipe from Gajeske not only arrives at your job site on time, but it also **installs faster than other materials**. Its lightweight design, fewer joints, and heat-fused connections eliminate cure time.

ZERO LEAKS, ZERO WORRIES

You need 99.9% uptime. You won't get that with any other piping material. Poly pipe **supports water conservation**, **decreases waste**, and **eliminates the risk of piping system failures** thanks to its durability and heat-fused, leak-free joints.

SYSTEM DESIGN CONSULTATION

Gajeske has a renowned engineer and polyethylene expert on staff to provide **piping system design consultation**, so you reduce risks and costly surprises in the field.

GET POLY PIPING SOLUTIONS THAT DELIVER MAX UPTIME IN NO TIME.
