Gajeske®
Polyethylene Specialist

POWERFUL SOLUTIONS FOR ENERGY APPLICATIONS

GET IT ALL AT GAJESKE

Gajeske supplies HDPE piping systems and solutions specifically **designed to meet the rigorous demands of the energy industry**.

Our large, in-stock supply of HDPE pipes and fittings are built for **durability, pressure resistance, and environmental safety**, making them ideal for critical applications like oil and gas pipelines, chemical transport, and water management.

We also offer tailored solutions to meet your project's specs and needs, and we have **almost 40 years of industry experience** and compliance knowledge under our belts, so we're always available to offer expert technical support.

McELROY | McELROY ASC Authorized Service Center | McELROY MASTER MECHANIC | CERTIFIED McELROY RENTAL

We're the perfect fit for every energy application.

If you think Gajeske only supplies polyethylene piping systems, think again. **We supply solutions.**

We offer a complete range of services to assist you with any project that comes your way.
