GEAR UP FOR TOUGH JOBS

→ RENTALS
→ SALES
→ REPAIRS

GET IT ALL AT GAJESKE

From a large fleet of **McElroy fusion machines** to electrofusion processors for **rent or sale**, we've got the gear to get the job done. No matter how long you need it, our equipment is **maintained, tested, and ready to roll**.

- **Manual fusion units** for small to medium pipe runs
- Heavy duty gear like **TracStar and Tritan** for large scale, rugged jobsites
- **DataLogger®** for documentation and **McElroy Vault sync**
- **Electrofusion processors** for tapping tees, couplings, and complex electrofusion installs
- **Acrobat™ compact fusion machine** for tight spaces

McELROY ASC Authorized Service Center | McELROY MASTER MECHANIC | CERTIFIED McELROY RENTAL

We're the perfect fit for your fusion equipment needs.

If you think Gajeske only supplies polyethylene piping systems, think again. **We supply solutions.**

We offer a complete range of services to assist you with any project that comes your way.

- POLY PIPE, VALVES & FITTINGS
- FIELD TECHNICIANS
- FUSION & FABRICATION
- OQ & FUSION TRAINING
