

Gajeske®
Polyethylene Specialist

WE SUPPLY MORE THAN PIPE. WE SUPPLY TRAINING SOLUTIONS.

GET IT ALL AT GAJESKE

McELROY UNIVERSITY SINCE 1981

For training done right, look no further than Gajeske. Our Operator Qualification and Fusion Certification programs are designed to give your team the skills to safely and efficiently fuse, fabricate, install, and maintain industry-compliant HDPE piping systems.

- McElroy-certified instructors
- Classroom and hands-on training
- Small, medium, and large diameter fusion training
- Instruction in English or Spanish
- Training at our location or yours

We're the perfect fit for every training need.

If you think Gajeske only supplies polyethylene piping systems, think again. **We supply solutions.**

We offer a complete range of services to assist you with any project that comes your way.

- POLY PIPE, VALVES & FITTINGS
- FUSION & FABRICATION
- FUSION EQUIPMENT SALES, RENTALS & REPAIR
- FIELD TECHNICIANS

TAKE YOUR TRAINING TO THE NEXT LEVEL.

OPERATOR QUALIFICATION

Gajeske goes the extra mile to give your team the know-how they can't get anywhere else. As an Accredited Training and Assessment Center, we provide Operator Qualification certification for:

- Energy World Net (EWN)
- Industrial Training Services (ITS)
- National Center for Construction Education and Research (NCCER)

FUSION CERTIFICATION

Our renowned Fusion Certification training program puts your team in the trenches with expert hands-on instruction in use of fusion equipment, safety procedures, common fusion hazards and more. Our training covers:

- Small, Medium & Large Diameter Butt Fusion (iSeries and DataLogger)
- Socket Fusion
- Sidewall Fusion
- Electrofusion & Mechanical Fusion
- Fusion Equipment Inspection
