Gajeske®
Polyethylene Specialist

GAS SOLUTIONS FROM MAIN TO METER TO REGULATOR

GET IT ALL AT GAJESKE

Corrosion, leaks, and pressure issues are no problem with our HDPE piping systems. With our **vast in-stock inventory** and strategic locations, we deliver quick, reliable service.

Plus, our **Operator Qualification and Fusion Certification** training solutions help ensure safe, efficient installation. And we have **MCIs on staff** who can provide training at our location or yours.

We also have a **full line of fusion equipment for rent or sale**, including a complete McElroy line for socket, sidewall, electrofusion, and butt fusion.

With our **almost 40 years of expert gas distribution experience**, you get compliant HDPE gas piping solutions that help prevent costly, potentially dangerous problems down the line.
